

All-in-One Mini Grease Gun Kit

For the first time in the retail environment, a high-quality grease gun kit is available to the do-it-yourselfer, hobbyist, and small shop owner. The **All-in-One Mini Grease Gun Kit™** is a professional-grade kit for general purpose lubrication maintenance now in a go-anywhere carrying case for easy, no-mess grease application.

The Kit features a tough-duty, chrome-plated grease gun with everything needed to take grease application conveniently from start through clean-up. Use it on trucks, cars, boats, trailers, ATVs, motorcycles, mowers, farm equipment and implements – any application up to 500° F.

Contents:

- **Compact Plastic Tool Box** with handle, built-in zerk fitting compartments, and removable tool tray designed for portability, ease of storage and organization.
- **High quality, Chrome-plated Grease Gun** with comfortable vinyl-covered pistol grip rated at **3,000 PSI** (meets ISO 9002 manufacturing standards).
- **3 – 3 oz. Waterproof Green Grease™ Cartridges** packed in a resealable, pegable clamshell.
- **1 – 5 oz. tube of Simple Green™ Heavy-Duty Hand Cleaner Gel** and 2 All-purpose Shop Towels for quick clean-up.
- **7-inch Flex Hose** reaches tough-access lubrication points.
- **Adjustable Hydraulic Coupler** secures zerk fitting for cleaner, more accurate grease application (accommodates flex hose or straight pipe).
- **Chrome-plated Needle Dispenser*** for needle-type (non-zerk) grease fittings such as those found on CV-type driveshafts.
- **3-inch Straight Pipe** – when a straight shot is all that's needed.
- **12 S.A.E. Zerk Fittings** suitable for most applications.
Sizes: 1/8 NPT & 1/4 NPT straight, 45-degree, & 90-degree (2 of each).
- **12 practical Zerk Fitting Covers** prevent leaks and keep grease free of contaminants.
- **Coupler End Caps** prevent contamination and leakage.
- **NASCAR or Indy 500 Light Sensitive Sound Chip**** with high-speed engine roar (while supplies last).
- **Instruction Manual** for gun loading and operation.
